Resto sourire

Our new "Resto Sourire" opened its doors in Achrafieh last week!

This initiative was created with the cooperation of La Tablha Restaurant, and with the contribution of Dwan Sultas, Sultan Brahim, Frères Rizk (Rizk Tower), Lila Sabbagh, Sunflower, BO18, BO18 Classic, Tartuffo, Fionà's, Beirut Cellar, Sky Management, Café Blanc, and Palamanki. Also, the "Beirut Central LIONS Club" and Khoury Home participated in the equipment of the Resto Sourire.

On our opening day, lunch ended with one guest singing a hearty song while others clapped and cheered. It was a wonderful start to a project where the value and importance can be felt among volunteers and visitors alike at every meal.

You too can help us feed the needy, by joining our team of volunteers and giving two hours of your time, from 11:30am to 1:30pm one or more days a week.

Contact us to set up your schedule!
