

## **BASSMA, Humanitarian Lebanese Association**

Help us bring back the smile to  
needy families!

At the dawn of the Christmas  
season we hope that all the needy  
families spend their holidays with  
joy and happiness. In order to do  
so, Bassma wants to warm up

their hearts and make sure they don't lack of anything.

Sponsoring needy families helps improving their daily life  
conditions. By providing food, medical care, clothes...BASSMA  
ameliorates the living standards of these children and favors  
their access to education, in a more healthy environment.

BASSMA also participates in the payment of scholarships,  
provides educational material and school supplies, in addition to  
organizing cultural and physical activities to the children. You  
can also contribute to the school tuition payment of a needy  
child! All you have to do is to fill out an online application  
([www.bassma.org](http://www.bassma.org)) or head to the sports' shop CHOSSES in
